## Celebrate winter. Create a winterscape.

January 9, 2017

The City of Edmonton's Front Yards in Bloom: Winterscapes program is back! Don't let a little snow stop you from getting creative and adding colour and beauty to your front yard and your neighbourhood.

**Participate by either building and entering your own Winterscape, or nominating someone else's.** A Winterscape can include: snow, ice, lights, landscaping, ornaments and winter-themed scenery. Individuals, families and teams can participate by building a Winterscape in the front yard of their home, community hall or school.

Visit [edmonton.ca/winterscapes](http://edmonton.ca/winterscapes) to learn about the award categories and to nominate or enter a Winterscape for a chance to win prizes. At the end of the season, photos will be posted on the City of Edmonton's Facebook page for voting. The Winterscape with the most votes in each category wins first prize.

Entries and nominations will be accepted until **February 19, 2017**.
