Have your say at Lauderdale Off-Leash Park

February 14, 2017

Edmontonians have the chance to influence the process for adding amenities at off-leash dog parks through a pilot project at Lauderdale Off-Leash Park, as part of the [Dogs in Open Spaces Strategy](#).

The City will work with park users to develop a plan to improve the space, considering amenities such as waste bins, waste bag dispensers, signage, trees, shrubs and barriers.

Community members and off-leash park users are invited to share their thoughts at a public consultation:

Date: Thursday, February 16, 2017

Time: 5 - 7 p.m.

Location: North West Edmonton Seniors Society (formerly the Calder Seniors Drop-In Centre)

This informal drop-in session is an opportunity for citizens to learn more about the pilot project and share their thoughts on what amenities are needed and how the budget should be spent.

A survey will also be open starting on **February 17, 2017** for those who cannot attend the consultation. It will be available at the link below.
