Proposed rezoning in Glenora

February 22, 2017

You are invited to an open house about a proposed rezoning located at 13923-102 Ave NW in the Glenora neighbourhood.

Date: Wednesday, March 1, 2017

Time: 6:30 – 8:30 p.m.

Open House Location: St. Vincent Catholic Elementary School, Gymnasium, 10530 - 138 Street NW

The proposal is to rezone the site from Single Detached Residential Zone to a Site Specific Development Control Provision, to allow for the development of a four unit row house, with a maximum height of 10 meters. Onsite parking will be provided in attached garages with access from the rear lane.

This is a second opportunity to attend an open house to learn about the proposal from the City of Edmonton and the applicant. The proposed rezoning has not changed from the information provided at the open house meeting held on January 19, 2017. Feedback from the open house will be summarized in a report to City Council before they make their decision on the rezoning.
