Have your say on the future of schools in mature communities

February 23, 2017

Citizens are invited to share their feedback on the future of public schools in the communities of Britannia, Westlawn and Rosslyn. The meetings will include small group discussions on proposed concepts designed to create great learning spaces for kids and help shape the future of our city's mature neighbourhoods and communities.

These consultations build upon feedback and ideas from previous public meetings held in the spring of 2016 with the City of Edmonton and Edmonton Public Schools.

Each session takes place from 6:30 to 8:30 p.m. Child care will be available at all meetings.
