Citizens invited to review Heritage Interpretive Plan for West Rosedale

March 21, 2017

Citizens are invited to learn about and provide feedback on the draft Heritage Interpretive Plan for the River Crossing (West Rosedale) area at a drop-in open house.

Date: Monday, April 3, 2017

Time: 5 - 7 p.m.

Location: Edmonton Tower (3rd floor - Room 380, 10111 104 Avenue)

Input on the draft plan can also be provided through an online form available at Edmonton.ca/HeritageInterpretivePlan from March 21 to April 5, 2017. This will be the last opportunity to provide feedback on this document before it goes to City Council this summer.

The Heritage Interpretive Plan will guide how heritage and culture are reflected and communicated throughout the area as it evolves over time. It will honour our collective heritage, including both Indigenous and non-Indigenous heritage and culture, and will contribute to the future identity of this special place within Edmonton and the North Saskatchewan River Valley.

The draft plan was created by building off of previous research, work and discussions around heritage in the River Crossing area as well as through input collected through various public engagement opportunities that occurred in 2016.
