Mill Woods Recreation Centre reopens

March 31, 2017

Mill Woods Recreation Centre will reopen to the public on Monday, April 3, 2017, following the completion of scheduled regular maintenance.

Performing regular maintenance ensures our facilities are safe, secure and clean for Edmontonians to fully enjoy. Several safety improvements were also made at the aquatic centre including tile repair and grouting, addition of an adjustable shower in the sauna and hot tub area, improved lighting on the pool deck, new sprinkler head covers installed, painting and a deep clean of the fitness centre. As the facility reopens, the City will continue with construction of an indoor playground and major work to the hot tub.

As part of the City of Edmonton's commitment to providing sustainable, quality facilities, all recreation centres undergo regular maintenance, which requires a shutdown every two to three years. The City thanks patrons for their patience during the shutdown.
