## O'Leary Fitness and Leisure Centre to reopen after Easter weekend

April 13, 2017

O'Leary Fitness and Leisure Centre will reopen to the public on Tuesday, April 18, 2017, following the completion of regular scheduled maintenance.

Regular maintenance ensures a safe, secure and clean experience at our facilities for all Edmontonians to fully enjoy. During this shutdown, work done to the facility included lifecycle maintenance of mechanical and electrical systems, as well as upgrades to the pool deck, railing in the main lobby and installation of a new sink and counter in the playground area.

As part of the City of Edmonton's commitment to providing sustainable, quality facilities, all recreation centres undergo regular maintenance, which requires a shutdown every two to three years. We thank all patrons for their patience during this closure and look forward to seeing them in our improved facility.
