Have your say on Lauderdale Off-Leash Park upgrades

May 2, 2017

Edmontonians are invited to a second public consultation session to help shape upgrades to the Lauderdale Off-Leash Area.

Date: Thursday, May 4

Time: 5 - 7 p.m.

Location: North West Edmonton Seniors Society,
12963 120 Street

At this informal drop-in session, citizens will be invited to view two draft design concepts for park upgrades based on priorities identified by the initial public consultation and online survey in February. Feedback from this session will then be compiled to help shape the final design.

As part of the [Dogs in Open Spaces Strategy](#), the Lauderdale Off-Leash Area Pilot Project gives Edmontonians the chance to influence the process for improving off-leash dog parks.

An online survey will be available May 5 - 18, 2017 for those who cannot attend the consultation.
