## Want the inside scoop on infill in Edmonton?

### *Sign up for the 2017 Infill Tour*

May 3, 2017

Looking for inspiration for your own infill project, or just want to learn more about Evolving Infill? The City of Edmonton and Infill Development in Edmonton Association (IDEA) are co-hosting the 2017 Infill Tour on **Saturday, May 27, 2017**. Sign up today!

The tour, part of the Evolving Infill project, provides an opportunity to visit four locations that showcase diverse Edmonton infill developments. Participants will receive a guided tour of each home and the surrounding neighbourhood.

The tour is a great chance to meet new people and engage in an open conversation about future infill development in our city. More information about the tour, including times and registration, can be found at [eventbrite](#). A light breakfast and a bagged lunch will be provided.

If you are unable to join the tour, there are plenty of opportunities to get involved in Evolving Infill. You can check out the latest [video in the Everyone's Edmonton series](#), or [register for one of the Evolving Infill workshops](#) being held in May and June. Your ideas and thoughts will help us continue to build a sustainable, balanced approach to welcoming more people into our neighbourhoods. We hope you will join us.
