LUGGAGE

Here are a few things to note when travelling with your luggage to ensure a safe and comfortable experience.

- First come/first served. Passengers already on board with their luggage are not required to move their luggage to accommodate additional passengers. However, please be considerate, and when possible, put personal belongings on your lap to accommodate additional passengers.

- All passenger luggage* must be placed in the luggage racks or on the floor in front of the seat. No passenger luggage is allowed in the aisle.

- Passengers are responsible for handling their own luggage. Bus operators are not required to assist passengers with luggage movement.

- Provincial requirements dictate that the bus operator will not move the bus if there is passenger luggage in the aisle.

- Edmonton Transit System is not responsible for lost or damaged passenger luggage. Call 780-496-1622 for ETS Lost & Found.

- Should you notice a suspicious package at Century Park Transit Centre or on the bus please notify the bus operator or call Transit Watch at 780-442-4900.

* Passenger luggage includes suitcases, backpacks, boxes, bags and any other carrying device for the transport of personal belongings.

How to Read a Schedule

All route brochures have a bus schedule and a map. Timing points are read in columns and rows. To find the estimated times that a bus stops at a particular location, read down the column under the location. To find the estimated times that a particular bus will stop at other locations, read across the row (left to right). Reading across the row tells you the time required for the bus to travel between timing points. For example, to be at Capilano TC for 8:22 a.m. you must board the bus at 100 St & 104 Ave at 7:55 a.m.

SATURDAY

Day of week schedule operates.

Timing points are select bus stops along the route that correspond to times listed under each location. The letter in the circles can be found on the route map to pinpoint the location.

Read down the column to find the time your bus leaves your location.

Read across the row to find the time your bus arrives at the next timing point.

Bold text represents P.M. time.
