LUGGAGE RESTRICTION:

Passengers are allowed to bring luggage on board as long as it can be stowed on the luggage rack near the rear doors, on the seat beside them, on the floor in front of the seat, or on their laps. Yellow lines have been painted on the floor of all the Airport buses to delineate the area where baggage is not allowed. Primarily this area is the aisle of the bus. DO NOT drive the bus with ANY luggage stowed within these lines. Operators are not expected to handle any luggage.

PROCEDURES AT THE INTERNATIONAL AIRPORT:

The stop at the International Airport is near the South end of the commercial transportation lane (where the taxis and Airport Shuttle buses stop) on the arrivals level. When approaching the airport, stay in the curb lane as though you are headed to the departure level (DON'T GO UP THE RAMP!). As soon as you get past the concrete barrier on your left side as you enter this area you will see two gates ahead. Use the left gate only. All Airport buses are equipped with a transponder that opens the gate to this area. If the gate doesn't open, there is a call box that connects you to parking supervisors. Make sure you use the lane marked for buses. Once under the building overhang, stay on the right side of the concrete median (the lane closest to the terminal building). The stop is just past door 7 (about 15 metres North of Door 8- there is an ETS bus stop sign at this location- BusLink number 9747). This is NOT the same stop that the Leduc C-Line buses use. Use caution pulling into this stop so as to avoid contact with the large drain pipe that runs down from the 'overhang' over door 7. Please warn passengers exiting the rear doors to 'watch their step' as it is difficult to get the rear doors close to the curb in this stop.

*** NOTE *** Immediately call and inform Control if any vehicle is parked in the designated bus stop.
