Reading the Schedule

To find the estimated times that a bus stops at a particular location, read the column under that location.

To find the estimated times that particular bus will stop at other locations, read across the row (left to right).

Reading across the rows tells you the time request you need to board the bus to travel between timing points.

Examples:
For the West Edmonton Mall to Capilano location, to board the bus at MacDonald Drive, 7:54 a.m., you need to be in the McPhersons or Capilano Transit Centre no later than 7:54 a.m.
